

INTERCESSION FOR KINGDOM BUSINESSES

Draft February 5, 2019

PURPOSE:

To bathe the business with consistent, Holy Spirit inspired prayer, from the point of origin through the end point of the process. We have the ability to touch peoples' lives in tangible ways, spread the Gospel, and obtain revenue to support and advance ministries and missions, thereby advancing the Kingdom of God.

PRAYER POINTS:

This list is not exhaustive and will vary, business by business. Use this as a sample and allow Holy Spirit to speak to you.

1. Ask Holy Spirit to show you how to pray.
2. Vendors and suppliers - for the people and transportation involved in supplying elements needed for the business.
3. Elements, supplies, and pieces that are needed for the business - that they would be available in a timely fashion; that they would be of good quality; that anything unclean would be removed; that they would be blessed and sanctified.
4. The space the business will occupy - that every unclean thing would be driven out of the space and furnishings; that every line in and out (plumbing, electric, etc.) would be cleaned out and secured against the enemy. Anoint space and dedicate it to God and His Kingdom. Ask for Holy Spirit presence.
5. All staff, from the greatest to the least (directors, managers, employees, custodial staff, delivery people - everyone who has anything to do with running or promoting the business) - that they would be touched by Holy Spirit to do their work with integrity, excellence, and pride; that they would come to know, love, and draw nearer to Jesus day by day; that they would enjoy and be blessed in their work.
6. That the business would be established, thrive, expand, and advance the Kingdom of God through a Spirit of integrity and excellence, thereby affording the ability to offer superior goods and services.
7. The customer/consumer - that they would be drawn to the business through God inspired marketing and the power of the Holy Spirit; that they would enjoy and appreciate what the business and staff have to offer; that they would be blessed in their interactions with business and

- staff; that they would become repeat customers and expand our trade through word of mouth; that the enemy would be bound, gagged, and unable to use customers/consumers against the business in any way.
8. The enemy - that any wrong agreement we may have with the enemy is renounced; that every trick, trap, or strategy of the enemy would be exposed; that the enemy would be caught in his own traps; that every assignment against the business and staff is canceled and every curse goes back upon the head of the enemy (it is written); that the business and staff are protected by the blood of Jesus; that the enemy cannot retaliate against anyone in any way.
 9. The product - that it is of superior quality and reflects the heart of The King; that it is supernaturally touched by God so that people encounter Him; that the product has favor with God and man.
 10. "Collateral Blessings" - that the surrounding community, where people live and work, would be blessed by the presence of God in the business in that location; that those passing by would recognize something extraordinary is present and they'd be drawn to it.

These are but a few of the many, many things to pray about. Let us seek the King and His Kingdom together. Be blessed.
